# Dream Home Progress

We are working on the finish stage of the project

## Finishing Touches

We are adding the finishing touches to the 2017 Indianapolis Monthly Dream Home. We are busy making sure everything is perfect. It's all about the details. The designers are bringing in the furniture and art, and getting the space ready for the show. There are still a few things that need to be done.

Next we will finish up the exterior of the home, and do final touch-ups after everything is moved in. There are still a few specialty items we are waiting on. The level of detail that goes into every GuyCo project is exemplified throughout the Dream Home.

Keep checking on our progress on our website at <http://GuyCoHomes.com/DreamHome>
