Remodel instead of build?

Existing homes can be Dream Homes as well. As you can see from the photos in this edition of G News, with the rising lumber costs shown in the chart above, it might make more sense to remodel than to build new. When you remodel you customize your existing home around your needs and wants. Take a look at the Portfolio tab on our website at guycohomes.com/portfolio for some examples of what can be done.

For more outstanding pictures check out the Gallery on our website at guycohomes.com/gallery!

Have a Happy Independence Day!

The 4th of July is a time to gather with friends, family, and neighbors to celebrate the United States' birthday. Below are some events that coincide with the holiday to help you get your fireworks fix. Click the links below for more information about each event:
